Dear Heavenly Father, I humbly come before you in the name of your son, Jesus Christ, with a grateful heart to lift up, firstly, those who are seated in place of authority in our great state and those who represent our state in the Texas House of Representatives and Texas Senate. I ask you to endow our governor and all of those who are in attendance in the Texas House of Representatives here today with wisdom. Give them your guidance as they determine the policies that will govern in our state and in our local communities. I pray that each representative will yield themselves to you, Father God, who is the ultimate authority in each one of our lives. Help them to fully understand that the rights of the people they serve are not granted by government but are given by you.

Father God, I pray that the members of the house of representatives on both sides would come together in unity and pass legislation as a unit instead of being divided and would use their position in government to aid in the peaceful and quiet living in our communities throughout the State of Texas. Finally, Father God, I pray that you protect and strengthen each of the families of the members of the house of representatives, especially during their times of separation when the house of representatives is in session. I pray these petitions, Father God, in the name of our savior Jesus Christ. Amen.
